# The History Of JOHN BOOS & CO.

---

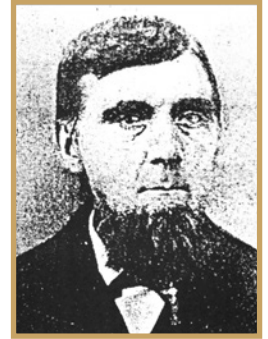

John Boos & Co., based in Effingham, IL, is one of the oldest manufacturers of premium quality butcher blocks in the U.S.A. John Boos & Co. has been in business continuously since 1887. It was in his Effingham, IL blacksmith shop that founder Conrad Boos first invented what would become the original Boos Block®. Having harvested sycamore from local wooded areas and processing it in his sawmill, Conrad brought it to his blacksmith shop for finishing. That first block of sycamore was placed on three legs to absorb the shock of the blacksmith's hammer against the anvil. It was the local butcher, who having seen and admired Conrad's block, became impassioned about owning a block for his meat market. Unknowingly, Conrad's son, John, who made and sold that first block to the butcher, took John Boos & Co. into the infancy of serving customers since 1887.

*John Boos & Co. continues to be a premier manufacturer of kitchen equipment within the foodservice industry.*

Beginning in the mid 1960's, John Boos & Co. made its first stainless steel work table and quickly expanded its stainless steel fabrication business to accommodate changing market requirements. The company's stainless steel business continues to grow and includes an entire range of products including custom fabrication. The company combines the art of stainless steel fabrication and woodworking to vcreate a blend of commercial quality mobile carts, baker's stations, work tables and so much more. John Boos & Co. continues to be the only company in the U.S.A. having both stainless steel and wood manufacturing facilities on location and is well recognized as quality products, "Made in USA".

JOHN BOOS & CO. WOOD MANUFACTURING FACILITY  
EFFINGHAM, IL

CONRAD BOOS

## Our Commitment To ENVIRONMENTAL SAFETY

---

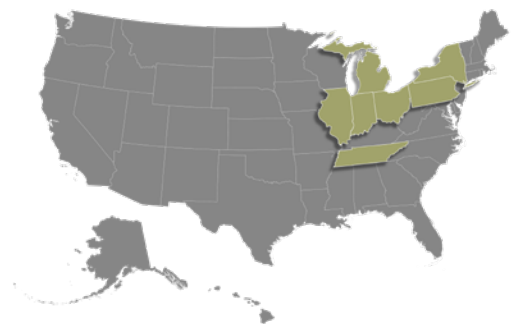

John Boos & Co. is firmly committed to the responsible management of environmental matters. As part of our standard business practice, John Boos & Co. maintains a high standard in meeting today's manufacturing needs without compromising the environment for future generations.

For over 50 years, John Boos & Co. has been a member of NHLA and maintains a current NHLA Sustainability Certificate (National Hardwood Lumber Association). As an NHLA Member, the company is committed to sustainable forestry practices. We embrace the certificate's statements of sustainability in the harvest and manufacture of all hardwood products. This includes the purchase of lumber from NHLA affiliated lumber mills that share the same values for sustainable forestry practices.

We take pride in sourcing our hardwood lumber from NHLA affiliated lumber mills in the United States.

Illinois, Indiana, Michigan, Tennessee,  
Ohio, Pennsylvania, and New York

# *Pride In* **CRAFTSMANSHIP**

John Boos pride in craftsmanship add the final touches to their products. They manufacture their products under ideal working conditions by craftspeople who love their work and have a passion for fabrication. They skillfully execute each step of the fabrication process until the shipping of the finished product. Strict quality assurance is involved every step of the way.

*“Experience and longevity leads to quality and performance. In a company with over 130 years of manufacturing great products, I have had the opportunity to be part of that history. Since 1982, I’ve been aware of that intangible quality called a ‘fit’. I have been part of the growth and advancement in the stainless steel division of John Boos & Co. that my co-workers and I take great pride and satisfaction.”*

KENT BUSHUE  
METAL PLANT FOREMAN/WELDER  
EMPLOYEE SINCE 1982

## *Offering Premium Products*

John Boos’ product offerings have evolved from a simple stainless steel work table to custom-fabricated UL chef counters. Our dedication in keeping up with the highest demands and new technology has allowed us to continue our growth in providing new products within the foodservice industry.

**Beverage Tables | Cabinets | Compartment Sinks  
Custom Stainless Steel | Cutting Boards | Dining Tops

## HOW TO CARE FOR YOUR BOOS BLOCK®

Proper care and maintenance will keep your wood surfaces beautiful for a lifetime. The application of Boos Block® Mystery Oil is recommended at least once a month. The more often it is cleaned, the more often it should be oiled. A dry appearance is a sure sign it is time to oil your wood surface. Thoroughly coat the surface and allow the oil to penetrate overnight. Wipe off any excess oil in the morning.

As wood products will naturally acclimate to their environment, regular application of Boos Block® Mystery Oil will help protect your wood surfaces from changes in humidity due to weather. You should pay careful attention during the changing of the seasons as humidity levels can change rapidly.

For additional protection, Boos Block® Board Cream should be applied as a secondary moisture barrier in between oil applications. Simply apply and even coat and wipe off the excess for maximum protection.

# WOOD TOP WORK TABLE FRAMES - STAINLESS STEEL

PL0423-COM

## STAINLESS STEEL WORK TABLE FRAME, WELDED

- Frame - 1-1/2" Square Tubing 16GA, Type 300 Stainless Steel, #4 Polish Satin Finish
- Legs - 1-5/8" OD Round Tubing 16GA, Type 300 Stainless Steel, #4 Polish Satin Finish
- Bracing - 1-1/4" OD Round Tubing 18GA, Type 300 Stainless Steel, #4 Polish Satin Finish
- Bracing Is Secured In a Fixed Position 12" Above the Floor - Adjustable Bullet Feet
- Wood Tops Sold Separately:
  - "BKSC" 2-1/4" Thick Maple Tops
  - "SC" 1-3/4" Thick Maple Tops
- Additional Add-Ons (PG. 18)
- Bottom Bracing Location:
  - 30" & 36" Widths - Rear
  - 48" & 60" Widths - Centered

# PRO-BOWL COMPARTMENT SINK BUYERS GUIDE

PL0423-COM

## PRODUCT SPECIFICATIONS

### BOWLS:

Standard 16GA, Type 300 stainless steel (14GA is available). Fabricated with all welds ground and polished into a one piece sanitary bowl. True 16GA (or 14GA) thickness throughout. All corners, both vertical and horizontal, covered at 3/4" radius to meet NSF Standards. Bottoms formed for drainage and include a 3-1/2" diameter die stamped opening.

### SINK DECKS:

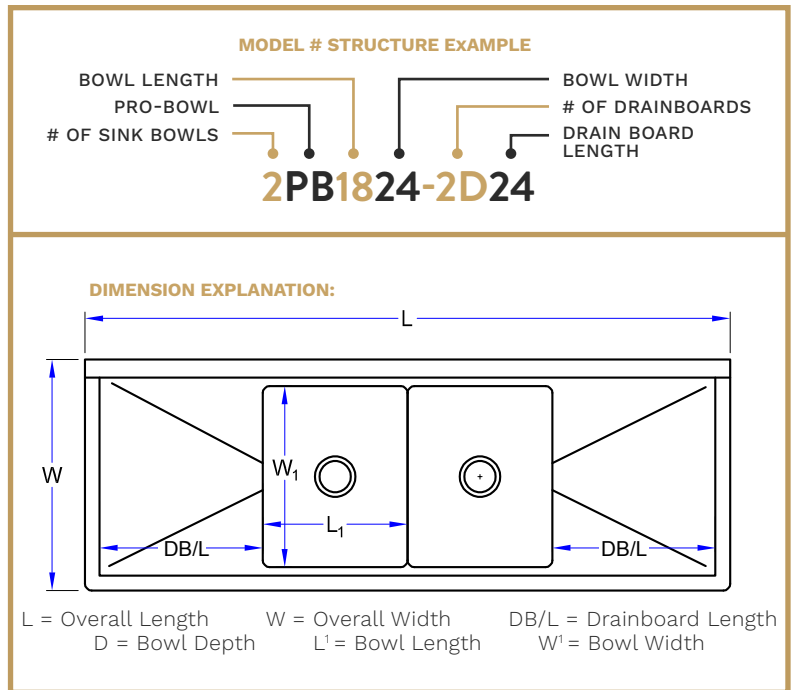

Standard 16GA, Type 300 stainless steel (14GA is optional). Boxed backsplash is 10" high with 2" return to wall at 45 degree and down 1". Front and ends have a 1-5/8", 180 degree rolled edge. All corners are covered 1/4" radius, welded, ground and polished into a sanitary single piece.

### LEGS:

Standard 1-5/8" diameter stainless steel tube. Legs attach to sink with sanitary NSF Listed gussets, each with 2 set screws to lock leg in place. 1-1/4" diameter tubular bracing on 3 sides is adjustable to assure no interference with plumbing. Adjustable stainless steel bullet feet for leveling.

### BEFORE ORDERING:

- 16GA - 12" Bowl Depth Standard
- 14GA Available (ADD "4" In Front of Model #)
- 14" Deep Available
- Bowls 24" Or Longer Have 2 Sets of Faucet Holes
- 36" Drainboards Standard With Additional Leg Support

ALL JOHN BOOS & CO. PRO-BOWL SINKS ARE BUILT TO COMPLY WITH NSF STD. 2 REQUIREMENTS. ADDITIONAL OPTIONS AND CUSTOM FABRICATIONS ARE AVAILABLE. CONTACT FACTORY FOR QUOTATION. ALL CUSTOM SINK ORDERS RECEIVE DETAILED ENGINEERING DRAWINGS FOR CUSTOMER APPROVAL PRIOR TO MANUFACTURE. JOHN BOOS & CO. USES ONLY TYPE 300 STAINLESS STEEL IN 16GA OR 14GA IN SINK CONSTRUCTION.

<b>PBHS-W-1410-KV1APS-EW-SS</b>	LH & RH	26	\$3,214.00

### EYE WASH DISCLAIMER

IMPORTANT: FAUCET-MOUNTED EYEWASH REQUIRES TWO MOTIONS TO OPERATE (TURN ON WATER, PULL KNOB TO ACTIVATE EYEWASH FLOW). THEREFORE, JOHN BOOS DOES NOT BELIEVE THAT THESE UNITS MEET THE PROVISIONS OF ANSI Z358.1-2014 AS EYEWASH UNITS. THESE UNITS ARE INTENDED SOLELY AS SUPPLEMENTAL UNITS IN ADDITION TO DEDICATED, PLUMBED EYEWASH EQUIPMENT INSTALLED IN THE WORKPLACE. FAUCET-MOUNTED EYEWASHES SHOULD BE USED WITH COLD OR WARM WATER ONLY. USE OF HOT WATER MIGHT CAUSE SCALDING. EYEWASH ATTACHMENT NOT TO BE USED WITH ELECTRONIC FAUCETS.

# UNDERBAR EQUIPMENT

PL0423-COM

## UNDERBAR EQUIPMENT

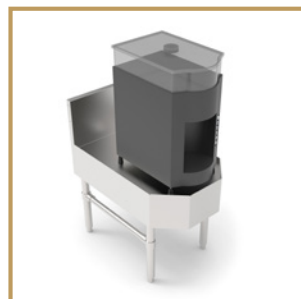

### *Engineered With Functionality In Mind*

John Boos' newly designed underbar equipment is engineered to improve quality, ease of installation, and efficiency within the foodservice industry. The 18GA type 300 stainless steel construction provides durability and features new design elements such as a uniform 1-1/4" wide backsplash, removable mounting faucet plate, pre-installed threaded inserts for speed rails, and much more. Every piece of equipment comes standard with stainless steel legs, bracing and adjustable bullet feet. Available in our standard 21" wide or 18" slim-line widths to fit your specific project. Contact our team of experts for a one-on-one discussion on how we can help quote your next project.

Each piece of our new underbar equipment is uniquely designed to have a simplistic and efficient functionality. Throughout each product you will see the enhanced features that makes our products your preferred choice for new underbar equipment. (Note: Each product includes unique design features that might not be listed below. Call and speak to one of our specialists for more information.)

#### UNIQUE KEY DESIGN FEATURES

- Standard 21" Width or 18" Slim-Line Width
- 18GA Type 300 Series Stainless Steel Construction
- 1-1/4" Wide Backsplash
- Stainless Steel Legs, Bracing, & Adjustable Bullet Feet
- Pre-Installed Threaded Inserts For Mounting Add-Ons
- Removable Mounting Faucet Plate
- Removable Soda Line Access Plate
- Pre-Drilled Attachment Holes (For Attaching Underbar Together)
- Channel Mounted Legs For Easy Removal

PRODUCT IN USE.  
MACHINE NOT INCLUDED

## BUYING INFORMATION

**ALWAYS ORDER BY MODEL NUMBER, SIZE, WOOD SPECIES, FINISH AND OPTIONAL EDGE, IF REQUESTED.**

All Tops Are Available Unfinished For Finish Application In The Field. Use Same Model & Price As Shown, Adding A "U" To The End Of The Model Number. Note: Unfinished Top Voids Factory Warranty. Tops That Are 42" Wide And Under Are 1-1/2" Thick. Tops Over 42" Wide Arer 1-3/4" Thick.

**FINISH:** All tops are finished with a semi-gloss polyurethane finish to insure easy care and a long service life.

**ASSEMBLY:** Butcher Block Tops are pre-drilled for respective base when ordered together. Custom drilling per template is available at additional \$10.00 list per top.

## RAIL STYLES

### ULTRA PREMIUM EDGE GRAIN

Built on a history of over 130 years of American craftsmanship, Boos® butcher block surfaces fill your kitchen with timeless tradition in countertop appearance while maintaining a natural food safe element for food preparation. Ultra premium countertops are manufactured with full length continuous rails from our choice selections of American hardwoods.

### BLENDED EDGE GRAIN

Boos® Blended kitchen countertop surfaces offer harmonious character & provides naturally defined individuality. Blended tops consist of full length exterior rails and random finger-jointed interior rails. Crafted of North American hardwoods, the rails in a blended top feature different parts of a tree, (a blend of heartwood & sapwood) hence the color variations. Natural mineral streaks and unique wood grain patterns also add to its unique appeal.

## STANDARD SPECIES

### NORTHERN HARD ROCK MAPLE

Northern Hard Rock Maple is the strongest and most dense of all species of maple. Used primarily for furniture and flooring, Northern Hard Rock Maple makes a great, affordable restaurant dining top.

### AMERICAN BLACK WALNUT

Prized for its dark tones and tough structure, American Black Walnut is a sought after surface for dining tops. The white sapwood intertwined with the chocolate/light brown heartwood gives this species a beautiful contrast.

### AMERICAN CHERRY

The highly sought after American Cherry has unique grain patterns and a reddish brown color. Used in high end furniture and cabinetry worldwide, American Cherry makes for a beautiful kitchen surface.

## MISSION & VISION STATEMENT

John Boos & Co. creates sustainable, high-quality, performance-driven equipment and workspaces that inspire home cooks and professional chefs to evoke passionate connections through what unites us all: delicious food and meaningful company.

Through a legacy of workmanship, innovation and devotion stemming from our founder to employees past and present, John Boos & Co. aspires to be recognized worldwide as a touchstone at the heart of cooking and the enjoyment of food.

**SUBMITTAL OF A PURCHASE ORDER INDICATES YOUR AGREEMENT TO OUR TERMS AND CONDITIONS LISTED BELOW  
ALL PRICES ARE LIST - F.O.B FACTORY • ALL PRICES SUBJECT TO CHANGE WITHOUT NOTICE**

## OPENING AN ACCOUNT

All new accounts will be set up on a cash-in-advance basis until such time that the Credit Dept. has been able to establish open account terms. Minimum opening order to establish a new account is \$500.00 net. No account will be permitted open account status unless they can be opened for at least a \$1,000.00 credit limit. Payment terms are Net 30 Days.

## ORDERING

Once an account has been established, subsequent minimum order is \$100.00 net. A charge of \$25.00 or the amount necessary to reach \$100.00 (whichever is less), will be added to the invoice.

Dealer Online Representation: Pre-authorized web based representation of the John Boos & Co. product line must adhere to written contractual agreement and minimum advertised pricing (MAP).

## F.O.B FACTORY

All John Boos products are shipped F.O.B. Effingham, IL 62401. Whenever possible, orders may be consolidated for freight savings by contacting the factory or your representative.

## CAUTION: FREIGHT CLAIMS

Before accepting any shipment, examine it carefully and note any damage or shortage on the Freight Bill before signing for delivery. All claims for shortage or damage must be filed with the carrier. Title passes from John Boos & Co. to the purchaser at point of origin of shipment. If, after receipt of shipment, concealed damage is discovered, immediately notify the delivering carrier requesting immediate inspection. The inspection report should be used to support your claims against the carrier. John Boos will not file claims with 3rd party carriers.

## RETURN SHIPMENTS

We will not accept any returned merchandise unless written authorization has been issued. Any claims for defective materials or workmanship should be mailed to the factory.

UNUSED merchandise in A-1 condition - there is a 25% or greater restocking charge for AUTHORIZED returns. John Boos reserves the right to deny returned merchandise.

## CONFIRMATIONS & ACKNOWLEDGMENTS

We request that all orders be faxed or emailed to John Boos & Co., Fax 800-433-2667, Email [purchaseorders@johnboos.com](mailto:purchaseorders@johnboos.com).

We acknowledge all orders in writing and this acknowledgment constitutes our agreement, as the company will not be held responsible for errors due to misunderstandings on verbal orders or verbal agreements with our Sales Representatives.

## CANCELLATION POLICY

Any special orders that have been entered into production cannot be canceled without paying all costs incurred by our company in the preparation of special plans, materials purchased or produced. No changes can be made once a "special order" has been entered into production. Any costs incurred therein will be the responsibility of the customer. Purchase orders may be changed up to 14 days before the scheduled shipping date without penalty, if production has not commenced.

Absolutely no order changes or cancellations will be accepted within 14 days of the originally scheduled ship date.

## DROP SHIPPING

John Boos & Co. will drop ship to the contiguous 48 states (PO BOX not accepted), as well as a residential address (Residential drop ship fee of \$10.00 applies). Freight charges may be prepaid and added to your invoice if specified on shipments for locations other than the billing address. Note: For residential delivery, liftgate service, notification of delivery, and other special requirements, additional charges may apply.

## WARRANTY

The only warranty, expressed or implied, is a 1-year guarantee against defect in workmanship and material.

This warranty does not apply to damages which may result from neglect, accidental or intentional damage, damage or wear to any swivel mechanism, normal wear and tear, misuse of product, unauthorized repair, exposure to extremes in temperature and humidity, and alteration or abuse of the product. Wood products ordered 'unfinished' do not come with a warranty.

Repairs or replacement under this limited warranty will be made through an authorized John Boos & Co. distributor, if possible, the same dealer/distributor from which the product was purchased. Should the dealer or factory representative find return of the product to the factory necessary, all packing and shipping costs will be the responsibility of the customer. If a dealer/distributor is not available, contact the Customer Service Department at John Boos & Co., 3601 S BANKER ST, Effingham, IL 62401, Ph (888) 431-2667 for the name and location of the nearest authorized distributor.

Factory obligation under this warranty, is limited, at the option of John Boos & Co. to repair or replace the product (or one of equal type and quality if the product is no longer available), within 90 days after receipt of written recommendation from the dealer, provided none of the above exceptions are evident.

John Boos & Co. shall not be liable for any loss or damage arising from use, or for consequential damages. This warranty gives certain legal rights and there may be other rights that vary from state to state.
